Dear Parents:

This year, we are evaluating our community to make sure all of our students are fully prepared for academic success. As we all recognize that hungry children cannot learn, the first step toward addressing this issue is ensuring that all students begin the school day with a nutritious breakfast at home or at school. The School Breakfast Program is available to all students every weekday morning. No advanced registration is necessary; your child can attend every day or only occasionally. These supervised meals provide your child with $\frac{1}{4}$ of their nutritional needs each day. School breakfast is tasty and nutritious. School Breakfast is an ideal solution on mornings when kids are running late or parents have early commitments.

Whatever the reason, if breakfast at home is not convenient, please take advantage of breakfast here at school. Thank you for helping us make sure that all of our students start the school day alert, well-fed, and ready to learn.

Sincerely,

Menachem Fruchter
